

SGBOX-SS

The SGBOX-SS is a stainless steel, 2-1/8" deep, Junction Box with (10) 1/2" knockouts for convenience outlets and switches. The small, rectangular design allows power outlets and switches to be installed in small places.

Compatible with Beachside Lighting STL steplight and SGCM canopy.
Compatible with Beachside CMDC Series round canopies when used with Beachside's CROSSBAR-BR.

#6-32 tapped holes on 3.281 bolt circle.

Volume: 13.5 in³. 2-hour fire rated. UL, CUL, and RoHS compliant.

Weight: 0.56 lbs. [0.25kg]
