

# E10

The E10 is a solid brass well light with adjustable lamp angle and a footprint less than four inches in diameter.

**Construction** Solid brass gate. ABS outer housing. All brass fixture components.

**Lens** Fixture cover: Oval, tempered, soda lime glass, 3/16" [5mm] thick.

Lamp housing: Round, tempered, soda lime glass. Stepped to prevent water pooling on lens.

**Voltage** 12 Volts AC / DC. Remote transformer required.

**Mounting** In-ground well light for placement directly into landscape/soil. Fixture design allows for hardscape installation (provided adequate drainage is maintained) without the need for a pour collar.

**Adjustment** Fixture grate rotates 360°. Oblong lens allows for angles up to 20° from vertical.

**Lamps** GU5.3 MR16 LED • Amber (1500K), Warm White (2700K/3000K)  
Most lamps dim to less than 20%. See lamp manufacturer's transformer/dimmer compatibility chart.

**Optical Accessories**

- **FR** Frosted lens
- **HL1** Honeycomb louver, 1/8" [3mm] thick
- **HL2** Honeycomb louver, 1/4" [6mm] thick
- **PR** Prismatic spread lens
- **RT** Rectilinear spread lens

\*Maximum two 1/8"-thick accessories or one HL2

**Finish:** Unfinished is standard; no specification required. The fixture will weather to a natural patina. The patina process is natural with brass and copper. Rate of patina and eventual color is dependent upon climate and proximity to the ocean. Thus, Beachside does not guarantee any specific appearance.

**Weight:** 5 lbs [2.3 kg]

IP 66
