

TDM2 / TDM2-SS

The TDM2 and TDM2-SS are two-piece, cast brass tree mounts that use Nylon or stainless steel straps for mounting. Wireways accommodate direct burial wire. Internal volume allows for splicing.

- **TDM2** Brass tree mount with Nylon straps
- **TDM2-SS** Brass tree mount with stainless steel straps

- Strap Length**
- 48 in / 122 cm
 - 72 in / 183 cm
 - 96 in / 244 cm
